

Humber Education Trust

PE and Sport Premium Policy

Introduction

The legacy of the London Olympics 2012 saw the introduction of the Primary School PE and Sport Funding which is focused on securing additional and sustainable improvements in the provision of PE and sport for the benefit of all pupils and to encourage the development of healthy, active lifestyles.

Rationale

All young people should have the opportunity to live healthy and active lives. A positive experience of sport and physical activity at a young age can build a lifetime habit of participation, and is central to meeting the government's ambitions for a world-class education system.

Physical activity has numerous benefits for children and young people's physical health, as well as their mental wellbeing (increasing self-esteem and emotional wellbeing and lowering anxiety and depression), and children who are physically active are happier, more resilient and more trusting of their peers. Ensuring that pupils have access to sufficient daily activity can also have wider benefits for pupils and schools, improving behaviour as well as enhancing academic achievement.

The government is committed to ensuring that children and young people have access to at least 60 minutes of sport and physical activity per day, with a recommendation of 30 minutes of this delivered during the school day.

Eligibility and funding

Funding is paid to academies in two instalments usually in November and May and is based on the number of pupils in Years 1-6 in January census.

How to use the PE and Sport Funding Premium

School leaders know their schools best and so they have the flexibility to use the PE and Sport Funding Premium in the way that works best for their pupils as long as this provision **is additional and sustainable**. As such, schools should use the funding to:

- Develop or add to the PE, physical activity and sport that is currently provided
- Build capacity and capability with the school to ensure that improvements made now will benefit pupils joining the school in future years.

Schools should use the PE and Sport Premium funding to secure improvements in the following 5 priority areas:

1 Engagement of all pupils in regular physical activity, for example by:

- providing targeted activities or support to involve and encourage the least active children
- encouraging active play during break times and lunchtimes

- establishing, extending or funding attendance of school sport clubs and activities and holiday clubs, or broadening the variety offered
- adopting an *active mile initiative
- raising attainment in primary school swimming to meet requirements of the national curriculum before the end of key stage 2. Every child should leave primary school able to swim

2 Profile of PE and sport is raised across the school as a tool for whole school improvement, for example by:

- encouraging pupils to take on leadership or volunteer roles that support sport and physical activity within the school (such as 'sport leader' or peer-mentoring schemes)
- embedding physical activity into the school day through active travel to and from school, active break times and active lessons and teaching

3 Increased confidence, knowledge and skills of all staff in teaching PE and sport, for example by:

- providing staff with professional development, mentoring, training and resources to help them teach PE and sport more effectively to all pupils, and embed physical activity across your school
- hiring qualified sports coaches *to work alongside teachers* to enhance or extend current opportunities

4 Broader experience of a range of sports and activities offered to all pupils, for example by:

- introducing new sports and physical activities (such as dance, yoga or fitness sessions) to encourage more pupils to take up sport and physical activities
- partnering with other schools to run sport activities and clubs
- providing more (or broadening the variety of) extra-curricular activities after school in the 3 to 6pm window, delivered by the school or other local sport organisations

5 Increased participation in competitive sport, for example by:

- increasing pupils' participation in the School Games initiative
- organising, coordinating or entering more sport competitions or tournaments within the school or across the local area, including those run by sporting organisations.

***Active mile**

Where schools choose to take part in an active mile, you should use your existing playgrounds, fields, halls and sports facilities to incorporate an active mile into the school day and develop a lifelong habit of daily physical activity.

Raising attainment in Primary School Swimming

Swimming is a national curriculum requirement and by the end of key stage, 2 pupils are expected to be able to swim confidently and know how to be safe in and around water.

The 3 national curriculum requirements for swimming and water safety are to:

- swim competently, confidently and proficiently over a distance of at least 25m
- perform a safe self-rescue in different water based situations
- use a range of strokes effectively
- The premium can be used to fund the professional development and training that is available to schools to train staff to support high quality swimming and water safety lessons for their pupils.

- The premium may also be used to provide additional top-up swimming lessons to pupils who have not been able to meet the 3 national curriculum requirements for swimming and water safety - after the delivery of core swimming and water safety lessons.

Accountability and Responsibilities

Schools are accountable for the use of their PE and Sport Premium funding and are expected to spend it for the purpose it was provided only.

Online reporting

Schools must publish details of how they spent their PE and Sport Premium funding by the end of the summer term, or by 31 July, of each academic year at the latest. Online reporting must include:

- the amount of premium received
- a full breakdown of how it has been spent
- the impact the school has seen on pupils' PE, physical activity, and sport
- participation and attainment
- how the improvements will be sustainable in the future

Schools are also required to publish the percentage of pupils within their year 6 cohort in the current academic year who met the national curriculum requirement to:

- swim competently, confidently and proficiently over a distance of at least 25m
- use a range of strokes effectively
- perform safe self-rescue in different water-based situations

Trustees are responsible for:

- Holding Trust leaders to account in order to ensure the PE and Sport Premium funding Grant:
 - Develops or adds to the PE, physical activity and sport that is currently provided
 - Builds capacity and capability within the schools to ensure that improvements made now will benefit pupils joining the school in future years.

The CEO and Deputy CEO are responsible for:

- Monitoring the allocation, implementation and impact of PE and Sport Premium spending for all schools;

Local Governing Bodies are responsible for:

- Agreeing and approving annual PE and Sport Premium statements;
- Ensuring the school meets its statutory responsibilities for PE and Sport funding spending, including publication on the school website.
- Refer to the scheme of delegation for supported schools as approval of PE and Sport Funding Premium spending must be given by the CEO.

Headteachers / Principals are responsible for:

- Writing annual PE and Sport Funding Statement Pupil Premium statement using suggested guidance and agreed templates;
- Reviewing the PE and Sport Funding statement for the previous academic year using agreed guidance and templates;
- Ensuring agreed strategies are effectively implemented and monitored so that they lead to the desired impact
- Publishing statutory information on the school's website;

- Producing termly updates relating to the use and impact of funding to LGB and the Trust.

Teachers and other school staff are responsible for:

- Ensuring they have an accurate understanding of their role in the implementation of the school's PE and Sport Funding strategy and any personal or pupil barriers to achievement;
- Implement the school's PE and Sport Funding strategy (as appropriate to their role).

PE and Sport Premium

School: Ganton	Pupils 168	Funding: £16650
Academic year or years covered by statement 2023-2024	Publish date: Sept 23	Review date July 2024
Headteacher: Alec Young	Subject lead: Mike Mallinson	Governor lead: Andie Taylor (curriculum Lead LGB)

Priority Area	Intent	Implementation	£	Impact (Success criteria)
1	Develop curriculum intent and implementation to ensure that Pupils have access to a broad range of physical activities. Focus on community inclusion, independent leisure and Duke Of Edinburgh	<ul style="list-style-type: none"> • CPD for staff (outdoor pursuits, climbing, Duke of Edinburgh) • Audit current specialist equipment, purchase new where required • Develop curriculum planning to ensure that all pupils have access to organised OP as part of wider or extended curriculum offer • Deliver a series of D of E taster session in KS3 through Friday enrichment and lunch time clubs • Purchase resources to support the implementation of an outdoor pursuits curriculum 	£6500	<ul style="list-style-type: none"> • Pupils will make expected progress in PE • An increased number of pupils will be active during lunch time periods • More pupils taking part in after schools sports clubs • 100% of PE teaching will be at least good • 100% of pupils will gain appropriate D of E award
2	Offer a Wider range of sporting activities as part of a lunch time provision and extend to afterschool provision in-order to promote healthy lifestyles and a love of independent leisure	<ul style="list-style-type: none"> • CPD for staff • Implement wheelchair basketball sessions with access to qualified coach • Purchase specific resources to improve range of clubs – Wheelchairs, basketball nets, basketballs, bibs and markers 	£ 4500	<ul style="list-style-type: none"> • 100% of pupils will have access to at least 15 minutes of bespoke high quality physical activity per day (out side of timetabled PE) • 100% of teaching of PE will be at least good

		<ul style="list-style-type: none"> • Yoga and Dance sessions access to trained coaches • Collaboration with local sports centres to use facilities as part of extended school and community inclusion (Halternprixe and Costello) 		
3	Pre subject specific PE and focus on implementation – Music and movement	<ul style="list-style-type: none"> • CPD for staff – music and movement and sound beam • Purchase of resources – Sound beam, music and movement. 	£3200	<ul style="list-style-type: none"> • 100% of pre subject specific pupils will have access to Music and movement
4	Celebration of sports health and wellbeing and promote inclusion	<ul style="list-style-type: none"> • Implement weekly awards ceremony to celebrate class and individual achievements. • CPD around the use of Twitter to promote health and wellbeing • Allocate funding to resources that will support pupils being active (fit bits/ GPS devices) • Allocated funding for awards and incentives for pupils 	£450	<ul style="list-style-type: none"> • 100% of pupils will make progress towards their health and wellbeing targets (IEP, EHCP)
5	Collaborate with local partners to Further embed external sporting events and ensure that attendance is good in KS 2	<ul style="list-style-type: none"> • Continue with the Hull Active Schools membership to enable pupils to engage, develop and compete at local events and take part in virtual challenges. To facilitate a whole school Sports Day at a local sporting venue. Costello Stadium has provisionally been booked for Friday 24th June 2022. 	£1500 £500	<ul style="list-style-type: none"> • All Pupils will have engaged, developed and competed at local events and / or taken part in virtual challenges. • All Pupils will have experienced and participated in a traditional Sports Day at a local sporting venue.

Review of PE and Sport Premium 2022 - 2023

Key achievements to date until July 2023

- Pupils at Ganton continue to access in excess of 30 minutes moderate to high physical activity every day. All pupils in KS3, 4 and 5 take part in a daily mile challenge and this is well attended. Curriculum moderating events have shown that teachers ensure that the daily mile is part of planning every day. The new outdoor gym equipment has been a welcome addition to the school's PE resources. Training for staff has been provided to ensure that this resource can be used effectively and safely. This equipment is now live and used during break times and also as part of teachers planning. The school has invested in celebration this year focusing on a weekly opportunity to give out praise and certificates for pupils who have shown a commitment to taking part in additional opportunities to be active. There has been a focus on pupils having more exposure to physical activity during unstructured times with enhanced resources and staff CPD providing an increased provision. This has included Drum Fit, Yoga, Invasion sports and dodgeball, striking and fielding kits, sensory resources to promote vestibular and proprioceptive development (pre formal subject specific learners) and improved cycling opportunities via the primary cycle track. There have been improvements made to swimming resources also.
- The school continues to maintain high attendance at all extended school sporting events, remaining a key stakeholder in the Hull Active Schools group. This year has seen pupils attend inclusive events in Boccia, Table cricket, Cricket, Athletics, and a Panathlon football event. Pupils in attendance also received awards for participation and excellence at the recent HAS awards event. This included a 'Life Time PE' award for Karen Scott (PE lead).
- There has been excellent feedback from the collaboration with Hull FC this year. The development coaches have been a pivotal point of the KS2 PE offer for our more able pupils. Teachers have worked in collaboration to develop sessions with the support of coaches in line

Areas for further improvement and evidence to support this

- Leaders have embedded the PE curriculum ensuring that intent is sequenced appropriately across key stages. Teachers would benefit from more detailed information and training to ensure implementation leads to effective curriculum outcomes. A new PE lead will ensure that monitoring and CPD opportunities are effective and in line with whole school improvement.
- Extended clubs (lunch time and after school) will be reviewed at the primary site to ensure a range of activities are in place for pupils regardless of level of development.
- Leaders would like to focus on the development of cycling through improved resources and implementation. This should include refurbished Bikes and an improved cycle track
- Further embed the external school offer so that events are planned for all class groups in the next academic year. Continue to refine and develop curriculum intent and review the use of 'real PE scheme'.
- Relevant CPD opportunities provided to new PE lead for school. This may include periods out of class teaching.
- Whole school focus on Personal development will include enhanced opportunities for pupils to access broad range of activities that promote excellent health and wellbeing outside of lessons.

<p>with our overall intent. This has resulted in enhanced participation in PE lessons and further CPD for staff in the form of peer to peer support. The sessions have taken place at the primary site during lesson times but we have been able to run inclusion events over lunch periods at the secondary site for appropriate KS2 pupils. This has been a welcome development and has helped expose year 6 pupils to the secondary site as part of an extended transition.</p> <ul style="list-style-type: none"> • Funding has been used to develop a consistent approach to resourcing and implementing sensory circuits and this has shown significant impact in terms of progress for pupils in all areas of school. 	
Meeting National Curriculum requirements for swimming and water safety – current Year 6 pupils	
% of current Year 6 cohort who swim competently, confidently and proficiently over a distance of at least 25m	18%
% of current Year 6 cohort who can use a range of strokes effectively (eg front crawl, backstroke, and breaststroke).	18%
% of current Year 6 cohort who perform safe self-rescue in different water based situations	0%
School used Primary PE and Sport Premium to provide additional swimming over and above national curriculum requirements.	No
